ALCOHOLICS ANONYMOUS PREAMBLE
Alcoholics Anonymous is a fellowship of men & women who share their experience, strength, & hope with each other that they may solve their common problem & help others to recover from alcoholism. The *only* requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self supporting through our own contributions. AA is not allied with any sect, denomination, politics, organization, or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober & help other alcoholics to achieve sobriety.
