**Easy Does It**  
 But Do It!

**We learned we had to concede to our innermost selves that we were alcoholics. This IS the first step in recovery. The delusion that we are like other people, or presently may be, has to be smashed.**

**ALCOHOLICS ANONYMOUS PREAMBLE**  
Alcoholics Anonymous is a fellowship of men & women who share their experience, strength, & hope with each other that they may solve their common problem & help others to recover from alcoholism. The *only* requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self supporting through our own contributions. AA is not allied with any sect, denomination, politics, organization, or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober & help other alcoholics to achieve sobriety.
